Dear Sir:-

We expect to commence work under our Contract on Monday the 6th. inst., and wish to have everything that will interfere with the prosecution of our contract removed from the space to be occupied by the new Basement Vault, including all pipes, shed etc. etc. It will also be necessary to have all the bullion removed from the Melters and Refiners Vault and the cages of the Area, in order that we may remove the old girders and place our new work in position. Trusting that you will have this work done between now and the 6th. inst., we remain.

Very Respectfully,

Farrel & Co
